

# Tailored Coverage for Target Classes

Berkley Southwest is a proven leader that is uniquely qualified to serve key industries on a regional level with the added advantages of a local presence.

## FARM AND RANCH

We offer comprehensive property and liability coverage designed for the unique exposures of a broad range of agricultural operations. In addition, should a covered loss occur, you can count on our claims professionals to provide compassionate, responsive service focused on your needs.

### FARMS AND RANCHES

- Our most popular program
- Often Hobby or Gentleman farms with 300 acres or fewer
- Larger operating farms or ranches with hundreds or thousands of acres
- Will consider secondary dwellings with full time supervision
- Will consider lower valued secondary homes, limited perils, if no supervision

### FISH FARMS AND HYDROPONICS

- Selective on this class depending on quantity of buildings
- Often found in urban buildings fitted with water systems and interior lighting

### POPULAR COVERAGE OPTIONS

- Seasonal leased hunting (requires a copy of hold harmless)
- Scheduled personal property, jewelry, firearms
- Watercraft liability
- ATV liability
- Animal collision

\*Farm and Ranch coverages only available in AR, AZ, NM, OK and TX.
